

SOVEREIGN GRACE MINISTRIES

ESSENTIALS

We are humbled by your interest in Sovereign Grace Ministries and our church planting efforts. We are always amazed when God brings men who have a passion for the gospel, a desire to plant a local church and want to get to know our family of churches. As you study us further, we wanted to provide a short list of materials we think are most helpful in you getting to know us and what we're really about. This list of "Sovereign Grace Ministries Essentials" isn't exhaustive, but will tell you more about who we are, what we believe and why we do what we do.
